OCTOBER

INTERNATIONAL AIRBRUSH ARTIST DAY

Five Continents united by the Art

This 4th Anniversary of the International Airbrush Day creativity and artistic sensitivity will have no borders ...

Monumental works of art made with airbrush will be painted symbolizing the union of artists around the world.

Join us to celebrate this special day for all airbrush artists in the world, sharing a unique and personal work.

PARTICIPATION RULES

1. Registration is open as of the publication of this call and with Close on Saturday, October 3, 2020, at 6:00 p.m. (*USA Pacific time*)

2. May participate: All airbrushes from anywhere in the world, regardless of the level or experience of the artist. From amateur level, beginner to expert level. The artistic work must be created with an airbrush on any surface (*substrate*) format (*measurements*) without any restriction in both cases.

REGISTRATION

3. Interested parties may participate with a maximum of one current (*unpublished*) work of individual and original authorship.

4. In this fourth celebration of International Airbrush Day, the Airbrush will be the only theme of the work as part of its composition. This work must be airbrushed 80% - 90% allogeneously on any substrate; regardless of the brand of airbrush, paint, surface or accessories used for its creation.

5. Proposals that promote discrimination for reasons of ethnic or national origin, sex, gender, age, social condition, disability, health condition and anyone that violates human dignity will not be accepted. Proposals that defend hate speech or sexual nature will not be accepted.

OCTOBER

INTERNATIONAL AIRBRUSH ARTIST DAY

6. The registration of the works will be only on the 1st - 3rd of October 2020, on the official Facebook page: **International Airbrush Artist Day**

Note: The images and basic information of the participating artists will be shared on the official page on Instagram: **airbrush_artist_day**

Each registered work must be accompanied by the following information:

a) Name or pseudonym to be used by the artist.

b) Name and dimensions of the artwork.

c) Method or category of airbrushing used in the artwork:

- Illustration
- Automotive
- Textile
- Body Painting
- Muralism
- Other

d) One image created with airbrush, as the main tool during the execution of the work and where appropriate, the details of the technique:

- Mixed technique
- Airbrushing Exclusively
- Other

Important: Two images will be required for each registered work.

- First photograph: During the process of the work, where the development of airbrushing is shown in conjunction with the artist's image (*verifying in good faith that the work has been painted in an original way and with airbrush by the registered artist*).

- Second photograph: Capture of final work (*clear*).

The image files (*photography*) will be attached in JPG format; optimized for the web and with a size of 3 - 5 megabytes. (*size of publication images 1500 x 1250 pixels*).
